### **Action Alert: 2020 Voter Experience Survey**

Thanks to the Milwaukee Mental Health Task Force for your partnership with the Wisconsin Disability Vote Coalition. It's been a year of many elections and extraordinary challenges and barriers. Now it's important that we hear from the mental health community about your voting experiences.

We need your help! Please share your voting experience and encourage other voters to do so. The Disability Vote Coalition will use the survey results to advocate with elected officials to make improvements to our voting system.

### **SABE GoVoter Experience Survey**

Voters with disabilities are encouraged to take the SABE GoVoter Experience Survey. SABE stands for Self-Advocates Being Empowered – the SABE survey is specific to voters who have a disability. Whether you voted absentee, voted in person, or did not vote because of barriers – we want to hear from you!
